

Thank you for your interest in using our unique venue for your upcoming event! We have a range of rental options available to suit your needs. Reservations must be made at least two weeks in advance. Booking early is recommended due to demand.

Intuition Ale Works is a locally owned, **WORKING CRAFT BREWERY**, with a relaxed and casual vibe. Brewing is a 24-7 operation, even during events. There may be production noise and/or activity going on around you at any given time. If you are looking for an elegant venue that offers high-end amenities, we might not be the best fit for your event. If you love craft beer, delicious food and awesome service in a low-key, chill environment – this is the place for you!

FOOD AND BEVERAGES

Intuition Ale Works manages all in-house catering. Catering is billed separately from the rental fee and beverages and must be finalized two weeks before your event. Please email lindsay@intuitionale.com for catering inquiries and ordering. If Client prefers to hire an outside caterer for their event a **nonrefundable fee of \$500** will be charged, payable the day of the event. This fee does not apply to specialty cake/desserts. A catering addendum outlining rules and regulations for third-party vendors will be provided.

Intuition Ale Works sells beer, wine, cider, soda and water only. **No liquor is sold or permitted onsite.** Our hand-crafted beers average \$6-\$8 each, with 20 rotating taps. We also sell boutique label wine and cider for \$8-\$12 and assorted soft drinks and NA beverages for \$2-\$4. We do not offer price discounts for large events, nor do we sell kegs for onsite consumption. If you choose for your guests to be on a master bar tab, we have several ways to track beverage consumption throughout the event. Master bar tabs can remain open for the duration of the event or managed using brewery-provided drink tickets, capping open bar hours or adhering to a predefined budget.
